We will be placed in a position where we are forced to insist upon resistance but surely you will agree that it is manifestly unfair to expect us to wait any longer for a check to cover the cost of a long past due item. We do appreciate your situation very much and it goes without the gravity to write you in this manner - but we likewise have obligations to meet and we must have your assistance. Please.

Dear Sir:-

On the subject of Patented Metal Scrip--

Our information is that Birch Fork Coal Co., of Birchton, W. Va.,
was included in the recent merger, though apparently not embraced
in your order for Scrip.

Is this due to an oversight? We make inquiry merely for the sake
of a check-up. Shall appreciate hearing from you on this.

Sincerely yours,

manufacturer of the machine.

If you can possibly anticipate the delivery date of said scrip
about, probably about the 1st of January and make your shipments
accordingly so that the time given a little short.

Gentlemen:

Your order No. S 9756 calling for five hundred 1¢ pieces to be used at the Kistler Store has been received. It seems, though, that we have not made any scrip for this store and we really do not know whether you want the wording to appear as it has appeared on the other store scrip, or whether it should be changed.

Our idea is that the regular stock West Virginia wording is to be used on the one side, while on the other side the inscription is to be as follows:

"West Virginia Southern Coal Co.

(60)
Star Cut-out

"Kistler, W. Va."

If you can do so, will you kindly send us a sample of your present scrip for this store and we will work from it.

Gentlemen:

Your order No. 3 9756 calling for five hundred 16 pieces to be used at the Kistler Store has been received. It seems, though, that we have not made any scrip for this store and we really do not know whether you want the wording to appear as it has appeared on the other store scrip, or whether it should be changed.

Our idea is that the regular stock West Virginia wording is to be used on the one side, while on the other side the inscription is to be as follows:

"West Virginia Southern Coal Co.

(eo)
Star Cut-cut
Kistler, W. Va."

If you can do so, will you kindly send us a sample of your present scrip for this store and we will work from it.

Yours truly,

Good evening.

We will be flying out of your field #1080

we should be encircled by all of our own. If
it is possible to get a 100% full the other
section we would like to do the same except after
the meeting of the two wings in your neighborhood.
The field at #1080 will be closer to the other

Mr. C. W. Strickland, Gen. Mgr.,
Burgess Branch Coal Company,
Huntington, West Va.

Dear Mr. Strickland:-

Your favor of the 17th., just at hand. Under your proposed plan of issuing Merchandise Orders on the Eagle Supply Company at Kistler, West Va. the Scrip need not carry the special wording required by the recently enacted statute, as would be the case were you to issue the Scrip direct to your employees, providing the Scrip is made up in the name of the Eagle Supply Company. The sample piece herewith will acquaint you with the Design Side of the Scrip as it would appear on the Eagle Supply Co., Scrip. The face side of the scrip would work up similar to the rough sketch below.

If we may be permitted the suggestion, the following assortment would more closely approximate our standardized assortment for Merchandise Order issues, and we believe this assortment will prove out much better, namely; 200 Pes. Dollars 1000 Pes. Bimes 500 " Halves 1000 " Nickels 500 " Quarters 1500 " Pennies We are certain you will find the above a much more serviceable division of the denominations.

The above assortment of Patented Metal Scrip will cost 166.7 F.O.B. Boston, O. less 5% 10 Days or 30 Net. Shipment could be made within 30 days from receipt of order and possibly less time if your requirements demanded earlier execution.

Permit us to say this word in behalf of Patented Metal Scrip-- it is without question, the Safest, Most Economical as well as Most Satisfactory plan for the commissary that has ever been introduced. Also, please note that each piece of Patented Metal Scrip bears both the name of the maker and the user. This feature coupled with the patented design, affords absolute protection to the user against duplication.

We shall esteem it a pleasure to serve you and trust it may be our privilege to hear from you again both promptly and favorably. You may rest assured we shall do our utmost to serve you in a most satisfactory way.

Very sincerely yours,

Dear Mr. Cox:

In checking over our records, we are surprised to note that during the past year we have been favored with a great number of orders for Feeding Script, by reason of the recent enactment of the Cigarette Sales Tax Act, we have not been favored with an order from you.

Note the prices in the enclosed circular and let us have a line from you Mr. Cox, please.

Cordially yours,

My dear Mr. Sumerfield:

~~The weather has been bad or town several days or would have replied sooner to your inquiry of the 15th. Excuse the delay, please.~~

| Total | BY00 | " |

The last pennies shipped you were not pierced. All other pieces are pierced with the letters "LC".

In pursuance of above, we are pleased to quote you lot price of \$58.25. Terms net thirty days. F. O. B. Dayton.

Mr. F. R. Sumerfield, Auditor,
Leavale Collieries, Inc.,
Box 866
Charleston, W. Va.

Dear Mr. Sumerfield:

Have your letter of the 25th and note that you desire price on the Scrip, with piercing eliminated, and it would be well to state the conditions you want to hold the expenditure to a minimum. In this connection we are glad to cooperate with you, by quoting you the lowest price we have quoted on Master Patented metal Scrip, namely \$52.30 for the lot of 3700 pieces. We have no hesitancy in stating, that at our standard price of \$2.00 per 100 for pennies and \$3.50 per 100 for all other denominations, not pierced, the regular price would be \$99.50. You can readily gather from this that our previous price was exceptionally low. True, since the introduction of the Consumers Sales Tax, there has been a reduction in the price of pennies, but even so, the lot price would have been \$84.70.

At the price quoted, namely \$52.30, we hope to have your instructions by return mail, to proceed at once with your order, since, as you can understand, we cannot guarantee price under existing fluctuations and conditions.

We appreciate your writing us again as you have, since it permits of our working with you Mr. Sumerfield, to the best of our ability.

Cordially yours,

" W' Piercing
In Mine Only, Non Transferable

November 30, 1936

Mr. John B. Hoover, Bookkeeper
KEITH COAL MINING COMPANY, INC.,
Keith, W. Va.

Dear Mr. Hoover:

We thank you for your letter of the 28th and return herewith the Nickel Silver Penny Scrip piece of Keith Coal Mining Co.

If you are contemplating changing the name on the Scrip to WINIFREDE BLACK BAND MINING CO., INC. then why not also use the additional distinguishing mark of a letter "W" pierced through each piece? (e.)

You refer to the matter of protection afforded by our Master Patented Metal Scrip. We were the introducers and originators of the Patented Metal Scrip plan in 1909 and never, despite the fact that millions of pieces of Scrip have been manufactured and issued, have we had a single piece of our pierced Scrip fraudulently duplicated. 27 years of safety, should certainly set your mind at rest on the subject of protection with our Scrip in use.

For the reverse side of the Scrip we would use the same design as shown at right above, except that in place of "In Trade" the Scrip would read "IN TRADE. ONLY. NOT TRANSFERABLE" -- if you so prefer. However, it has been customary when making up Scrip in the name of an operating company to use the special wording conforming to the state Scrip Statute on the reverse side, which reads "PAYABLE IN CASH ON PAYMENT DUE TO EMPLOYEE TO WHO ISSUED. IN TRADE. ONLY. NON-TRANSFERABLE".

We are inclosing a price circular herewith as per copy previously sent you and as you request. While we specify a standard arrangement in the matter of assorting the metals, these may be rearranged, if wanted.

It is hoped that we have covered the information wanted Mr. Hoover and it would indeed be a privilege to serve you.

Very cordially yours,
J. H. Schierloch.

Attention: M. E. H. Schierloh

Gentlemen:

Immediately upon receipt of this letter, please make up and forward us by parcel post insured to Lico, West Virginia the following metal scrip:

| | |
|------------|------------------------|
| 300 pieces | Dollars, Nickle Silver |
| 100 " | halves, Brass |
| 100 " | quarters, Bronze |
| 200 " | Dimes, Nickle Silver |
| 200 " | Pennies, Bronze |
| 200 " | Nickles, Brass |

In accordance with the second paragraph of your letter dated November 30, 1936, it will be satisfactory for you to use the additional distinguishing mark of the letter "W" pierced through each piece.

On one side of the above scrip in addition to the denomination, we want the wording "Winifrede Black Band Mining Company, Inc., Lico, West Virginia; on the other side of the scrip we want the wording "Transferable in Merchandise Only, Not Transferable."

It is quite possible that we will order an additional quantity of this scrip from you at a later date. Also, an additional quantity for the Keith Coal Co., Inc., Keith, West Virginia. I believe, however, we have enough scrip to take care of the business of the Winifrede Black Mining Co., Nolan, West Virginia.

gentlemen:

With reference to your size of the Bond.

The last Bond you addressed did not show the word
"Sullivan" - The inscription on the face of the Bond, was
as follows:

1000000.
1.00
Sullivan
1000000 FIVE MILLION THOUSAND
DOLLARS.

We are writing in your script order of recent date to conform
thereto, except that we are floating the figure "1" THROUGH
each piece.

Believe this to be as desired.

Yours truly,

General Manager,
Michigan Bell Telephone Co.,
Michigan City, Ind.

Attn: Mr. W. H. Dill

Dear Sir:

Receipt of your telegram of 10/23 calling for 2000 please.
I suggest that the Michigan Bell telephone system in
Michigan City, Ind. should be reorganized as the
present organization is not satisfactory. The new will consist of an
organization something like this: The new arrangement of numbers
for your telephone system will be as follows: The first "1" will consist
of 8000 numbers and the next 17 lines of 24000 "1" telephone
numbers.

Very truly yours,
Michigan Bell Telephone Company,

Howard Johnson.

W. H. Dill, General Manager.
